Frequently Asked Questions

- Q. Will my canvas print fade in sunlight?  
A. Our printing process uses quality UV inks which have a display life up to 75 years.
- Q. Can I have a canvas artwork in a different size from those shown above?  
A. Depending on the quality of you image, we can reproduce to any size.
- Q. How long will I have to wait for my masterpiece?  
A. We usually complete the printing process within 7 working days. You should allow 7 working days to have the canvas stretched.\*very large pieces may need to be made into panels
